But that doesn't stop them from operating banks, managing businesses, writing checks, investing in stocks and earning a profit at the McGrath Family JA BizTown! JA BizTown is a 10,000 sq. foot mini-city in which kids discover how the "real world" works. Each day, about 150 5th graders become JA BizTown "citizens" where they work in one of 21 businesses, make financial decisions, pay taxes and donate to charity. After four weeks of classroom lessons, students come to JA BizTown for the learning experience of their lives. Each citizen has a job for the day, gets paid twice, manages a checking account, shops, gets health check-ups, may be interviewed on TV and much more. The time spent at JA BizTown may be only one day, but the impact that this experiential learning provides will last a lifetime. 	Funding for Admission + Buses

6-8	Planners: Planners for organizing homework and activities. Macbook Pro Laptops for Multimedia <ul style="list-style-type: none"> Approximately 6 Macbook Pro laptops requested by Sra. Knight: <ul style="list-style-type: none"> We need to continue to purchase as many Macbook Pros as we can. I have 14 purchased within the last year and need up to 20 more due to class size increase. The older Macbooks are now so old that they will not run the new operating system, Maverick, so they cannot be updated any longer. Funding Note <ul style="list-style-type: none"> \$9,441.52 of funds that were originally solicited for the general fund, but were restricted by the board to be saved to purchase a turf field, will be used to purchase these laptops if approved by the community. The district is planning to install a new turf field within the next 1-3 years, so barring any unforeseen issues, the PTO no longer needs to save these funds to purchase a field. Since the funds were solicited as general purpose funds, they may be voted back into the general fund (which is planned to occur with the approval of the proposed 2014-15 budget). Since the laptops have a life expectancy of 3-5 years, releasing the funds will benefit the current Longfellow middle school students, along with students currently in grades 2-5. 	Funding
