The Board may appoint additional committees as needed. The Chair of an Ad Hoc committee shall be appointed by the Board.

Article VIII – Finances

SECTION 8.1 – REPORTING PERIODS

The accounting period and fiscal year of the organization is from August 1st to July 31st in alignment with the school year.

SECTION 8.2 – BUDGET

A draft budget, carefully aligned with the Mission and Goals of the PTO, will be prepared by the Board of Directors for approval by the membership prior to the incurrence of any obligations or any expenditure that have not been previously approved by the membership and shall cover the period from August 1st through July 31st. The draft budget should consider:

- a) The expense and sustainability of programs intended to take place perennially.
- b) The PTO's cash reserves and the need for cash on hand to pay expenses through the summer and fall before fundraising activities begin.
- c) Community input into budget priorities, including parents, administration, and teachers.

The Annual Budget shall be presented for adoption at the beginning of each school year. The Board shall operate within the general parameters of the budget approved by the general membership. The general membership must vote to approve material matters that were not anticipated within the approved budget. The Board shall adapt the PTO's activities to the realities of the execution of its programs and activities, being especially mindful of shortfalls or surpluses from fund raising and program expenses.

- (1) Notwithstanding the foregoing, in any period between one general meeting of the Membership to the following general meeting of the Membership, the Board shall have the authority to approve cumulative expenditures of \$2,500 or less for expense items that are not included in the Annual Budget, if the expenditures fulfill the Purpose of the organization as stated in Article II above. In the period between the last General Meeting of the year and the first General Meeting of the following year, the Board shall have the authority to approve an additional \$2500 in expenditures (for a total of \$5000) to allow for purchases that may need to be made prior to budget approval at the start of the school year. The Board should take care to exercise this authority only if an expense is urgent in nature and must be funded prior to the next General Meeting of the Membership. Any

such expenditure will be reported to the membership at the next General Meeting following the Board approval of the expenditure.

- (2) Members may make a request for expenditure using the Board's discretionary spending authority, by submitting an Idea Proposal Form, in cases where time or other considerations are of the essence. Whenever possible, use of PTO funds should be a part of the annual budget process.
- (3) The balance in the checking account shall be \$10,000 or higher at the end of every fiscal year. This will allow for expenditures that arise during the summer months. It will also provide a buffer for any major expenses that may arise unexpectedly prior to the beginning-of-the-school-year fundraising.

SECTION 8.3 – TREASURER

The Treasurer shall receive all funds for the organization and maintain accurate records of any income, expenses, disbursements, and bank account information. The Treasurer is responsible for preparing an annual financial statement, reporting monthly financial information to the membership and the Board (including a Financial Activity Report showing each month's income and expenditures, a Balance Sheet, and a Performance to Budget Report), and preparing and filing of tax documents and forms required by California and Federal law. The Treasurer shall ensure that the Board contracts with a tax professional, at a minimum annually, to fulfill all Federal and State tax requirements. Financial Records of Los Compadres shall be maintained as required by California and Federal taxation laws. The Treasurer shall remain available beyond the end of his or her term, until the taxes are complete, to answer questions and provide any information needed.

SECTION 8.4 – DISBURSEMENTS

No checks shall be issued unless the Board approved the expenditure. The Treasurer may advance funds for approved expenditures to avoid financial hardship for any member or Committee Chairperson who has been delegated the responsibility for organizing an event, which requires making expenditures in advance of the event. The Treasurer shall approve and sign all checks. However, all checks over \$500 must be approved and co-signed by the Board President. The President may also delegate such authority to co-sign checks of greater than \$500 to up-to two other elected members of the Board. The signature on any check cannot be the payee. If the Treasurer

requires reimbursement, the check must be signed by two authorized Board members other than the Treasurer.

Any tickets, cash, and checks collected at an event shall be counted and verified by two (2) PTO members, not related by blood or marriage. Both people shall sign a “receipt of funds” form, or “cash control” slip, identifying the amounts received, the date, and their signature. All cash and checks should be submitted to the Treasurer or his/her designee before leaving the event premises, if possible, along with the completed “receipt of funds” form or “cash control” slip.

SECTION 8.6 – FINANCIAL RECORDS

The financial records of the organization shall be maintained accurately by the Treasurer and made available to any Member, as well as to any member of the public who requests inspection of the organization’s financial records.

SECTION 8.7 – ANNUAL FINANCIAL STATEMENT

The Treasurer shall prepare a financial statement at the end of the year for review by the Board, membership, and Audit Committee.

SECTION 8.8 – TAX RETURNS

The Treasurer is responsible for preparing, or arranging for the preparation of, the tax returns for the organization. Tax returns must be filed in a timely manner as required by state and federal law.

Article IX – Amendment of Bylaws

These bylaws may be amended at any regular meeting by a two-thirds vote of the members in good standing, assuming a quorum, and providing that previous notice was given that the bylaws were to be amended. Notice that the bylaws are to be amended must be specified in the notice of the meeting. The proposed amendment(s) to the bylaws shall be made readily available for membership review at least seven (7) calendar days prior to the date of the meeting.

Article X– Dissolution

The organization may be dissolved by a two-thirds vote of the members in attendance at a regular or special meeting that has been noticed for such action, assuming a quorum is present. The meeting at which dissolution is proposed must be noticed at least 15 calendar days prior to the date of the meeting by as many means as is practical. Upon the dissolution of the organization, any remaining funds shall be used to first pay any outstanding debts and any remainder, with the membership's approval, shall be spent for the benefit of school and/or distributed to one or more nonprofit organizations which have been established as tax-exempt under Section 501(c)(3) of the Internal Revenue Code and which benefit the education of public school children, with preference being given to qualifying organizations that benefit Longfellow Spanish Immersion school students.
